Kortech Computer Repairs

0121 733 7110Welcome to KortechÂ Â

We offer a range of services including; desktop computer repairs, laptop repairs, Mac laptop repairs, upgrades, game console repair, virus removal, antivirus software, spyware removal, wireless setup, computer health checks, etc. We have a fuuly equipped workshop and can repair down to circuit boardÂ level if necessary. We can also set up a Linux based system if you wish to migrate away from Windows. This also a viable option for older machines that have unsupported versions of Windows on.

As we originally started in the radio telecommunications industry, we still have a fully equiped workshop for the repair of two-way radios. This can range from PMR, Amateur Radio (Ham), CB, etc. We still offer this service.

We cover the Solihull and adjacent areas including Shirley, Solihull, Solihull Lodge, Knowle, Dorridge, Bentley Heath, Cheswick Green, Dickens Heath, Illshaw Heath, Hampton in Arden, Meriden, Barston, Catherine-de-Barnes, Wythall, Major's Green, Earlswood, Hockley Heath, Hollywood, Sharmans Cross, Hillfield, Monkspath, Tidbury Green, Olton, Hobbs Moat, Hall Green, etc. You can also send machines to us from outside of these areas too.

On the website, we also have a new forum. For forum access, just click the forum button and login or register on the forum.Â Â The forum covers a number of subjects including; computing, electronics, radio communications, etc.
