Two-way radio

0121 733 7110

Two-way radio equipment repair.

When Kortech started trading back in 1995, two-way radio repair, reprogramming and supply was our core business. This was mainly radios serving the professional market. We still offer these services and have the facilities to repair two-way radios cuch as PMR (Private Mobile Radio), Amateur and CB equipment.

WeÂ also supply equipment and accessories if required. Please contact us with you requests.
